

Summer Reading

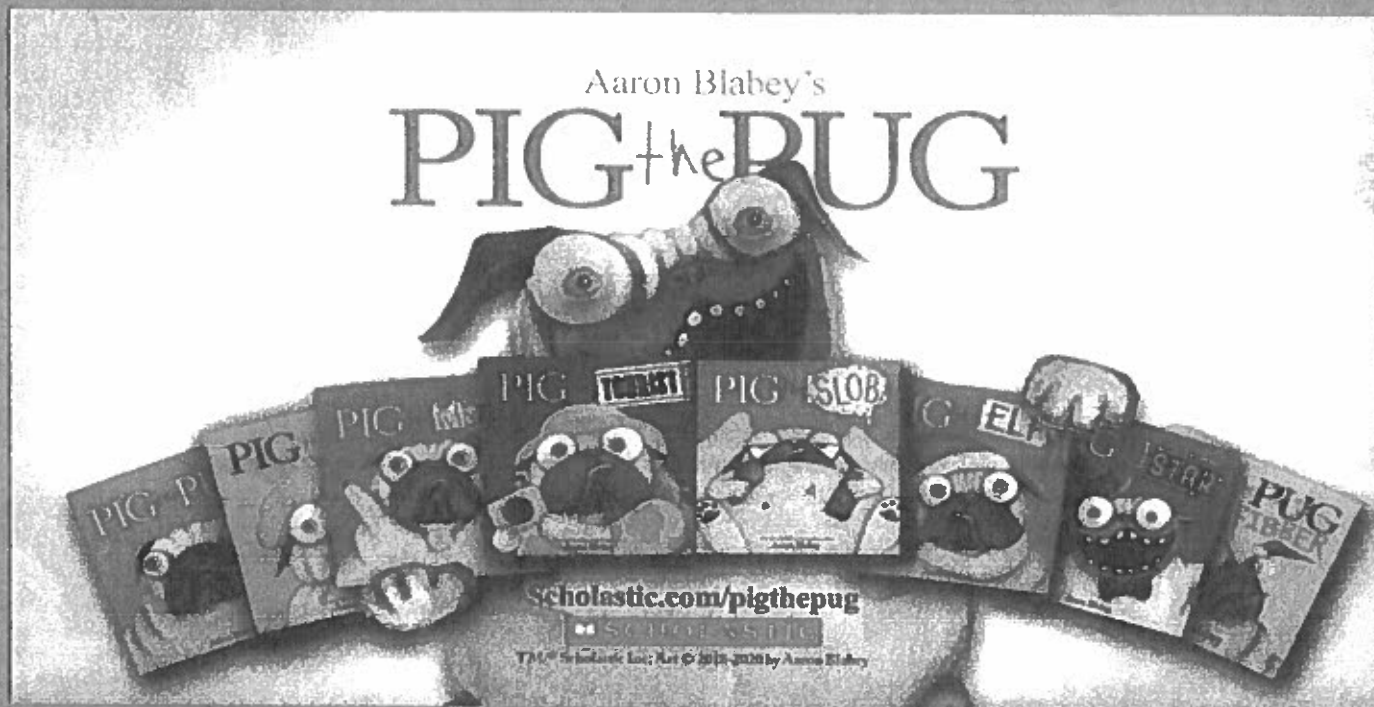

Hi Kindergarten Families! Summer is around the corner. Even though this is a time to relax, it is still important to keep reading to your child. Here is a fun way to continue this and get ready for Kindergarten. Please follow the directions below:

1. There is a book series “Pig the Pug” by Aaron Blabey. You can pick one or more to read with your child.
2. Pick a fun way to read that book by selecting a prompt from the reading challenge.
3. Complete the packet by September.
4. When school starts, we will share and read all the books.

I can't wait to meet you all!

Love, Ms. Cardone
