

Book Report Projects

Hello incoming students, I hope you enjoy your summer. This summer you will be reading The City of Ember by Jeanne Duprau (June) and Wish by Barbara O' Connor (July). You will have all summer to work on these projects and present them when we return to school in September. Please follow the directions provided and have fun!

The City of Ember Project

Make a travel pamphlet that describes Ember as the travel destination. Make sure that you use elements of descriptive language like imagery, simile, and metaphors. Your pamphlet must include pictures, descriptions of 2-4 places of interest, name of tour guide (that is you), number and address to contact you (make up this information). These places must be real places in Ember, do not make up places to visit!

Wish Project

On Google Slides you will present... (Be as creative as possible, if you want to add animation or illustrations that is fine!)

Slide 1: Title of the Book and your name.

Slide 2: Introduce the characters and briefly describe them.

Slide 3: Describe the main setting of the story.

Slide 4: The plot of the story. (Introduction of the story, climax, and resolution)

Slide 5: What is one wish that you would like to come true and why.

Have fun and enjoy your summer!
