

OUR LADY OF FATIMA CATHOLIC ACADEMY WEEKLY NEWSLETTER

MARGARET ROGERS, PRINCIPAL

OLFCA had a busy week of fun events.

On Thursday, 4th and 5th grade went to the Museum of the Moving Image, on Friday, 4th and 5th grade sponsored a Food Festival, and Middle School displayed their Math projects.

4TH AND 5TH GRADES

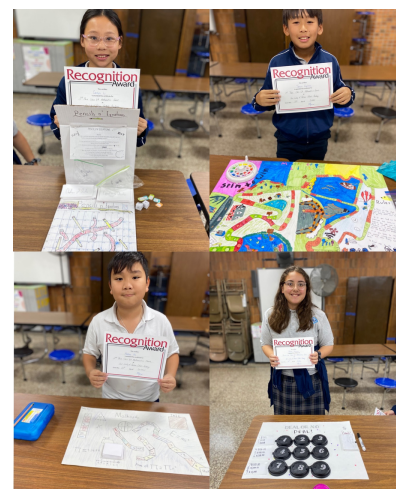

4th and 5th grade students and Mrs. Clark were busy this week. Thursday they enjoyed a trip to the Museum of the Moving Image and on Friday they celebrated their heritage by sharing food with their schoolmates.

MIDDLE SCHOOL

Middle school students and Mr. Spencer showed off their math skills by creating their own math games. They displayed their games and explained the rules to their classmates. Again our middle school students showed why OLFCA students score above the City and Diocese averages on their exams. Congratulations to our students and their teachers.
