**PRINCIPAL'S MESSAGE**

It has certainly been a memorable school year. We started off not knowing what the year would bring but we put on our masks, washed our hands and kept right on going. These pages show that we were together even though social distancing made us stay apart.

The faculty and I are extremely proud of our students. They worked hard and kept up their spirits so we could have the best year possible. Our 8th graders are off to prestigious high schools. Our returning students are looking forward to a new and exciting school year filled with learning and fun activities.

On behalf of the faculty and staff I wish you a happy, healthy, restful summer filled with joy and family time. Let's stay connected on social media. We would love to see pictures of your summer adventures, email to: [mrogers@ourladyoffatimaschool.org](mailto:mrogers@ourladyoffatimaschool.org)

May God Bless you and keep you until we come together again in September.

*Mrs. M. Rogers*

## WORDS OF WISDOM FROM OUR VALEDICTORIAN & SALUTATORIAN

*"I hope to be a successful attorney and positively influence our justice system. I can see many of my peers becoming doctors, teachers, scientists, and first responders in the future... I believe this can all be possible because of the values we have learned at Fatima, such as kindness, respect, dedication, determination, and an unwavering faith in God."*

*Ryan Ladd*  
Valedictorian

*"I can truly say, we have been taught many things throughout our time at Fatima- the power of God's grace and love, a sense of community, respect for others and ourselves - but one thing that stands out to me, though, is that we have been taught to not give up and to do our best, in everything we do. Whatever we will accomplish, whatever we will become, I believe that we will all make a change in this world for the better."*
